

Site-to-CRA Bridge

The Q-IAOCR accredited program for CRCs and site staff crossing over to CRO / sponsor monitoring.

- Q-IAOCR Certified Trainer (#16167194) - ICH-GCP E6(R3) current
- Castor EDC live account access + real Phase II/III protocol thread
- Co-monitoring shadow visit with a working CRA alumni
- Founding 25 pricing: \$497 deposit + \$1,500 balance

6-Module Curriculum

MODULE 1

ICH-GCP E6(R3) Foundations & The Modern Clinical Trial Ecosystem

Where CRAs sit in the modern ecosystem, E6(R3) deep-dive, and what changed from R2 to R3. Meet the real published protocol that anchors all 6 modules.

MODULE 2

Site Qualification & Trial Initiation

Feasibility, pre-study visits, site selection, initiation documentation, and the SIV workflow to inspection-ready standards.

MODULE 3

Monitoring, SDV/SDR, RBQM, and Decentralized Trials

Routine and remote monitoring, source data verification, risk-based quality management, and decentralized/hybrid trial methodology.

MODULE 4

Documentation, TMF, Compliance + Co-Monitoring with a Working CRA

Essential documents, TMF/ISF, audit readiness, CAPA, and the co-monitoring shadow visit with a working CRA alumni.

MODULE 5

Safety, Investigational Product, Close-Out + Sponsor/CRO Relationships

AE/SAE/SUSAR workflows, IP accountability, close-out visits, and managing the sponsor/CRO/site triangle.

MODULE 6

Land Well, Perform Excellently, Get Promoted - Your First CRA Role

Resume and LinkedIn rebuild for CRA roles, interview preparation, the first 90 days playbook, and the CRA Promotion Trigger Map.

Frequently Asked Questions

Do I need to be a CRC to apply?

Most Bridge participants come from site-side roles - CRC, study coordinator, regulatory coordinator, lab manager, research assistant, pharmacy technician. If you've worked at a research site, you're a fit.

Is the Bridge accredited?

Yes. The curriculum is delivered by a Q-IAOCR Certified Trainer (Certification #16167194) and mapped to the IAOCR Core Competency Framework. Completion counts toward IAOCR continuing education credits.

How current is the regulatory content?

Fully current. We teach ICH-GCP E6(R3) (final January 2025, EU effective July 2025, FDA finalized September 2025). We do NOT teach the legacy E6(R2) standard.

Will I get hands-on experience with actual EDC systems?

Yes - with Castor EDC. You get live demo account access during Module 3 to practice data entry, query workflows, and audit trail navigation.

How quickly can I expect to land a CRA role?

Bridge graduates with the JSA add-on are typically interviewing by Week 5 and receiving offers within 60-90 days post-program.

Can I do this while working full-time?

Yes. Live sessions are evenings (7-9 PM ET, Tue + Thu). Total time commitment: 8-10 hours per week.

Is there a payment plan?

Founding 25: \$497 deposit secures your seat + \$1,500 balance due one week before cohort start. Standard Cohort 2+: 3 x \$999 monthly is available.
